MOTIVATION

I have a strong desire to work at an IT company and acquire the latest technology and skills to improve my own abilities. IT companies are not only active in the domestic market but also in the global market. I am interested in experiencing different cultures through communication with overseas business partners and clients, while also growing professionally. Therefore, I am highly motivated to pursue a career in the IT industry.

SKILLS

I can make a simple static website using HTML, CSS & JS.

I Can use the following application. Adobe In design, Corel Draw , M.S Office 2007 , Adobe Premiere pro cs6, Photoshop CS6、 Adobe Illustrator CS6, Adobe Pagemaker 7.0.

I also have experience with hardwaring work. Such as assembling, disassembling, and troubleshooting computer systems.

I am ready to learn new skills if needed.

HOBBY

My hobbies are traveling, watching TV, reading books and newspapers, and spending time with friends & more.

STRONG POINTS

I have four strengths. First of all, I have a positive outlook on the future and believe that anything is possible. Second, I am a highly focused person who can focus and work on a single task or goal without being easily distracted. Third, I can manage multiple tasks and responsibilities simultaneously and switch between them efficiently. Finally, I have a very positive view of life and situations, have an optimistic outlook, and can tackle things with a positive attitude of taking on challenges.

WEAK POINTS

My weak point is that I have a shy personality.

I can get nervous in social situations, such as meeting new people or in public. They are also hesitant to start a conversation or start a conversation on their own.

FAVORITE WORD

My favorite word is "thank you". One of the most commonly used words in Japanese to express gratitude. You can express your gratitude to others by using the words "thank you". It's a simple and short phrase, but it has a deep sense of compassion and gratitude behind it. In order to deepen human relationships, I would like to use "thank you" carefully in my daily life and value communication with others. Thank you, very nice words.
